

MOSFET

StrongIRFET™ 2 Power-Transistor

Features

- Optimized for a wide range of applications
 N-Channel, normal level
 100% avalanche tested

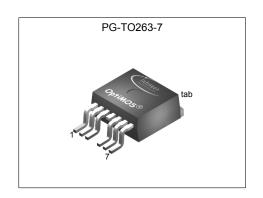

- Pb-free lead plating; RoHS compliant
 Halogen-free according to IEC61249-2-21

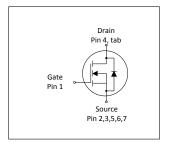

Product validation

Qualified according to JEDEC Standard

Parameter	Symbol	Values			Unit	Note / Test Condition
Parameter	Symbol	Min.	Тур.	Max.	Ullit	Note / Test Condition
Thermal resistance, junction - case	R _{thJC}	-	-	0.7	°C/W	-
Thermal resistance, junction - ambient, 6 cm² cooling area²)		-	-	40	°C/W	-
Thermal resistance, junction - ambient, minimal footprint	R _{thJA}	_	-	62	°C/W	-

¹⁾ Rating refers to the product only with datasheet specified absolute maximum values, maintaining case temperature as specified. For other case temperatures please refer to Diagram 2. De-rating will be required based on the actual environmental conditions. $^{2)}$ Device on 40 mm x 1.5 mm epoxy PCB FR4 with 6 cm 2 (one layer, 70 μ m thick) copper area for drain

connection. PCB is vertical in still air.

Information

For further information on technology, delivery terms and conditions and prices please contact your nearest Infineon Technologies Office (www.infineon.com).

Warnings

Due to technical requirements, components may contain dangerous substances. For information on the types in question, please contact the nearest Infineon Technologies Office.

The Infineon Technologies component described in this Data Sheet may be used in life-support devices or systems and/or automotive, aviation and aerospace applications or systems only with the express written approval of Infineon Technologies, if a failure of such components can reasonably be expected to cause the failure of that life-support, automotive, aviation and aerospace device or system or to affect the safety or effectiveness of that device or system. Life support devices or systems are intended to be implanted in the human body or to support and/or maintain and sustain and/or protect human life. If they fail, it is reasonable to assume that the health of the user or other persons may be endangered.
